

**22<sup>nd</sup> ISU World Congress  
20–26 August 2019  
Lübeck, Germany**

**ISU World Congress Show Proposal**

Mr /  Ms\*

Name\*

First name\*

Address\*

Postal code / City\*

Country

E-mail\*

Please fill in all fields marked with \*

**Note from the Organisers**

**All entries must reach the organisers by 19 July 2019. An extension of the deadline cannot be granted. For submissions that are sent by post, the date of delivery applies. Submissions received later cannot be considered.**

If total submissions exceed the maximum projection time, the organisers will make a selection. Authors whose submission could not be included will be informed before the congress. If you would like to submit several entries, please give a priority list in the text field for the introduction.

**Technical Specifications**

**To insure smooth projection, the following specifications are mandatory.**

**Format/image resolution:** Only full HD resolution (3840×1080 or 1920×1080)

For smaller images, unused border areas must be filled in with black.

**Data format:** Shows can be submitted as video files or as executable (.exe) files. Submissions as video files are preferred.

**Technical guidelines for Videos:**

Codecs: x264/h264, WMV, MPEG-4. If you would like to use a different codec, please request this in advance.

Stereo layout: side-by-side (3840×1080), side-by-side half (1920×1080), dualstream (2×1920×1080), top-bottom (1920×2160), top-bottom half (1920×1080)

**Technical guidelines for executable (.exe) files:**

Software: m.objects, Wings, PictureToExe. Please ensure to include all necessary files (software DLLs, images, videos) to guarantee a smooth projection.

Only the following stereo layout is accepted for executable (.exe) files: side-by-side (3840×1080)

**Show Submission**

Author or producer of the show\*:

Title of the show\*:

Duration\*: \_\_\_\_\_ minutes (The duration of any entry is limited to 15 minutes.)

I would like to replace this show with a new version.

## File Format of the Show\*

Video file (preferred)

Exe file

Stereo layout\*:

side-by-side (3840×1080)

side-by-side half (1920×1080)

dualstream (2×1920×1080)

top-bottom (1920×2160)

top-bottom half (1920×2160)

Software\*:

m.objects

Wings

PictureToExe

other: \_\_\_\_\_

Should technical difficulties arise with a submitted show, the author/producer will be contacted immediately.

Video codec\*:

x264/h264 /  WMV /  MPEG-4

## Author's Portrait\*

We would like the audience to remember you as a contributor. Therefore, we would like to show a portrait of you during the introduction of your show. Please upload a monoscopic portrait photo (resolution 360×480 px) together with your show. Please use JPEG format and your surname as the filename.

Yes, I provide a portrait of myself.

No, I do not wish a picture of me to be shown.

**Biography for the programme booklet** (3-6 sentences):

## How would you like to submit your show?\*

I upload the show to the server of the DGS (preferred). (You will receive details by mail.)

I send the show and my portrait on a data carrier by post. (The address will be given by e-mail.)

## Digital Archive

The DGS keeps an archive of digital shows presented at 3D Congresses and other 3D events. Archiving is voluntary. Archived shows may be projected at national and regional DGS events without further enquiry. Any other use is not permitted.

I grant permission to the DGS to present my show at other club events for one year.

## Transmission

Please send this form by e-mail to [shows@isu2019.org](mailto:shows@isu2019.org) (preferred).

If sending by post please use the head office:

Deutsche Gesellschaft für Stereoskopie e. V.

Dr. Frank Lorenz

Postfach 100619

04006 Leipzig

Germany

Please keep in mind that this will result in a delay.
